

Public Service Announcements

Written by Administrator

Tuesday, 16 December 2008 16:32 - Last Updated Monday, 15 October 2012 14:35

Public Service Announcements are given to the local media to help educate and inform the public of fire hazards and prevention techniques. This page displays all public service announcements for the year.

Did you know that heating equipment is a leading cause of home fires during the winter months?

Heating fire safety tips:

- Have heating sources serviced each year.
- Keep space heaters at least 3 feet from flammable objects.
- Make sure gas heaters are well ventilated.
- Never leave space heaters unattended.
- Test your smoke detectors

Cooking is the second leading cause of home fires.

Cooking fire safety tips:

- Never leave cooking unattended
- Turn pot handles inward to prevent spills
- Wear short sleeves when cooking
- Keep a pan lid handy in case of a fire.
- Have a Class K (Oil/Grease compatible) fire extinguisher in your kitchen.
- Test your smoke detectors.

The holiday season can be one of the deadliest seasons of the year.

Holiday Season fire safety tips:

- Use decorations that are labeled flame resistant.
- Use extreme caution if using candles.
- Do not overload extension cords
- Keep packages away from heating sources.
- Test your smoke detectors.
